

Adverse Childhood Experiences (ACEs): The Impact of Trauma on Overall Health and the Path Forward

ADAMH Board invites you to join us as we embark on a journey of healing and restoration, with our guest speaker Dr. Vincent Felitti.

Speaker	Dr. Vincent Felitti
Day 1	Oct 15th
Day 2	Oct 16th
Time	1:00pm-3:30pm

Dr. Felitti is a renowned physician, researcher, and is one of the world's foremost experts on childhood

trauma. He is the co-principal investigator in the Adverse Childhood Experiences study. (ACEs)

"The impact of a successful approach to ACEs might be as great as that of a major vaccine."

The Center of Family Safety and Healing will present, **Building Resiliency with Youth**, 10am-12pm on Oct 16th.
